Paul, Karen and our friendly team would like to welcome you to the Axe & Cleaver Public House, North Somercotes. We are very proud of all our food, and our aim is to make all meals to the highest quality.

Wherever we can, we use locally sourced British meats from Holmes Farm of North Somercotes, vegetables from Shaws of Alvingham, as well as fresh fish from Grimsby to create our meals.

Our food is cooked fresh to order by our expert chefs, therefore at busy times your order may take a few minutes longer to be served.
